Synopsis

There's nothing quite like a nice bracing weekend at an Outward Bound Centre to bring a team together – or is there?

Tim Seymour, Facilities Manager of Frimleys Potato Factory, takes his 5 female staff for a weekend team-building exercise to Dedleigh Woods Outward Bound Centre; where the instructor is Doug Frith. But secrets abound; there is a reformed criminal, an estranged husband owing hundreds in back maintenance, one of the ladies took a holiday with the boss, a victim of school bullying meets his antagonist, a cheque forger, a former arsonist and many other secrets all of which have been overheard by one or more of the others.

So who can't keep their mouth shut?

Who deserves to die?
